To whom it may concern

We confirm hereby that Alexandre Gonzalez completed a traineeship as a Junior Interactive Designer at OgilvyInteractive, Zurich from August until November 2006.

He was involved in projects for different clients such as: SAP, IBM, Volvo, Sunrise, Fujifilm, UEFA. With his skills in interactive projects and his dedication he fulfilled with great engagement the following tasks: Webdesign, Flash Animation, Newsletter, Graphic Design, Programming HTML/PHP.

We appreciated his open and friendly character and his good manners. During his time here in Zurich he also improved his German skills.

We wish Alexandre Gonzalez all the best for his future.
